

**The 1<sup>st</sup> International Symposium on  
Aquatic Environment and Biodiversity Conservation  
in the Lake Taihu Basin**

**27 November, 2009**

**Days Hotel (Tongji), Shanghai, China**

**Scientific Programs**

## CONFERENCE INFORMATION

### VENUE

3<sup>rd</sup> floor meeting room, Tongji- Days Hotel

### MEETING FACILITIES

Multimedia LCD projectors (PowerPoint) will be available in the meeting room.

### LANGUAGE

The official language of the Symposium is English.

### SPEAKER READY ROOM

A Speaker Ready Room will be next to the Registration Desk. Please rehearse your presentation and submit your ppt. file in the Room before the day of your presentation.

### TO ALL SPEAKERS

Speakers are kindly requested to submit your file to the Speaker Ready Room before the day of your presentation and arrive at your meeting room 10 minutes before your presentation begin. Your presentation must be limited within the time period you were informed.

### MAP& ADDRESS

50,Zhangwu Road, Yangpu District,Shanghai 200092,China.

The 1st International Symposium on Aquatic Environment and Biodiversity Conservation in the  
Lake Taihu Basin, 27 November, 2009

## Agenda

8:00-8:30	<b>Registration (free charge)</b>
	<b>Opening Ceremony and Plenary Speeches</b> Chair: Prof. <i>Li Jianhua</i> , Tongji University
8:30-8:40	<b>Welcoming remarks</b> Prof. & <i>Jiang Changjun</i> , Vice President, Tongji University
8:40-9:00	<b>Comprehensive management strategy for water environment and the prospects for international cooperation</b> <i>Zhu Wei</i> , Deputy Chief, Taihu Basin Authority of Ministry of Water Resources
9:00-9:40	<b>Climate change, biodiversity loss and challenges of the Asian Conservation Ecology program</b> Prof. <i>Yahara Tetsukazu</i> , Kyushu University
9:40-10:00	<b>Group Photo &amp; Coffee Break</b>
10:00-10:30	<b>Effects of NH<sub>4</sub><sup>+</sup>-stress on submersed macrophyte in shallow lakes of the Yangtze River basin</b> Prof. <i>Yin Daqiang</i> , Vice Dean, Tongji University
10:30-11:00	<b>Procedure of research on ecological engineering assessment in the Taihu Lake watershed</b> Prof. <i>Shimatani Yukihiko</i> , Kyushu University
11:00-11:30	<b>Water Environment and Protection of hydro-biodiversity in Dong Tiaoxi river: A perspective based on Sino-Japanese cooperative research</b> Prof. <i>Li Jianhua</i> , Vice Director, Tongji University
11:30-12:00	<b>The strategy on internationally cooperative research of IESD, UNEP-Tongji</b> Prof. <i>Li Fengting</i> , Vice Dean, Tongji University
12:00-14:00	<b>Lunch</b>
	<b>Aquatic Environment Session</b> Session Chair: Prof. <i>Yin Daqiang</i> , Tongji University
14:00-14:30	<b>Adopting ecosystem dynamic models to assess the eutrophication control measures of the Dianshan Lake, Shanghai.</b> Prof. <i>Lin Weiqing</i> , Shanghai Institute of Environmental Science Research
14:30-14:50	<b>Effects of hydrological factors on ecological dynamics of algae in lake systems</b> Assoc. Prof. <i>Zhang Haiping</i> , Tongji University
14:50-15:10	<b>Key Technical Problems in Comprehensive Rehabilitation of the Eastern Taihu Lake</b> <i>Li Wei</i> , Vice Dean, Shanghai Investigation, Design & Research Institute
15:10-15:30	<b>Residues of some representative POPs in Biota Samples from Taihu Lake</b> Assoc. Prof. <i>Qiu Yanlin</i> , Tongji University
15:30-16:10	<b>Coffee Break</b>
	<b>Biodiversity Conservation Session</b> Session Chair: Prof. <i>Shimatani Yukihiko</i> , Kyushu University
16:10-16:40	<b>The relationship between biodiversity protection and eutrophication control in Dianshan Lake</b> Prof. <i>Da Liangjun</i> , East China Normal University
16:40-17:00	<b>Fish fauna and habitat environment in Dong Tiaoxi River -A perspective</b> Assistant Prof. <i>Kano Yuichi</i> , Kyushu University
17:00-17:20	<b>Diversity and conservation of "Tanago" bitterling in East Asia</b> <i>Kitamura Jun'ichi</i> , Senior Researcher, Mie Prefectural Museum, Japan
17:20-17:40	<b>Life histories and conservation of aquatic insects in Japan</b> <i>Nakajima Jun</i> , JSPS Research Fellow, Kyushu University
18:00-20:00	<b>Banquet</b>
