

3RD INTERNATIONAL CONFERENCE ON

FOREST & WATER

IN A CHANGING ENVIRONMENT

18-20 SEPTEMBER, 2012. FIT HALL, FUKUOKA INSTITUTE OF TECHNOLOGY, FUKUOKA, JAPAN

PROGRAM

Sep. 18, 2012 (Tue)

13:00-13:20 Opening Session
13:20-17:40 Keynote Lectures I (Open)
15:40-17:40 Keynote Lectures II (Open)
18:00-19:30 Welcome Session

Sep. 19, 2012 (Wed)

09:00-12:10 Oral Session A,B: Poster Session
13:10-14:20 Keynote Lectures III (Open)
14:40-17:50 Oral Session C, D: Poster Session

September 20, 2012 (Thu)

09:00-12:10 Oral Session E, F: Poster Session
13:10-14:20 Keynote Lectures IV (Open)
14:40-16:30 Oral Session E, F: Poster Session
16:30-17:30 Closing Session

On-site
Registration Fee

General: 22,000yen
Student 18,000yen

Note: Keynote lectures
are open & free.

- A. Water Quality & Carbon Sequestration in a Changing Environment
- B. Ecohydrologic Processes in a Changing Environment
- C. Forest & Water in Semi-Arid & Arid Lands (ALRC session)
- D. Water & CO₂ Exchange between Forest & Atmosphere in a Changing Environment
- E. Soil & Water Conservation in Forested Watersheds in a Changing Environment
- F. Innovative Technology and Systems for Sustainable Forest Water Resources (JST session)

KEYNOTE SPEAKERS

Kevin Bishop
Professor, Uppsala University, Sweden

Wilfried H Brutsaert
Professor, Cornell University, USA

Henry F. Diaz
Research Climatologist, University of Colorado at Boulder, USA

Thomas W. Giambelluca
Professor, University of Hawaii at Manoa, USA

Joon Kim
Professor and Chair, Seoul National University, Korea

Futoshi Nakamura
Professor, Hokkaido University, Japan

Yuichi Onda
Professor, University of Tsukuba, Japan

James M. Vose Research Ecologist,
Covee Hydrologic Laboratory, USA

Yanhui Wang Research Professor, Chinese
Academy of Forestry, China

Lu Zhang
Principal Research Scientist, CSIRO Land and Water, Australia

SPONSORS

Japan Science and Technology Agency, Consortium-FUKUOKA (Kyushu University: Research Institute for East Asia Environments, Center of Excellence for Asian Conservation Ecology, Kyushu University Forest, / Fukuoka Institute of Technology / Fukuoka Women's University / Seinan Gakuin University), Arid Land Research Center, Tottori University

Co-SPONSORS

Fukuoka City, International Union of Forest Research Organization (IUFRO): Water Task Force, Academy of Forest, Wood and Environment, The Japanese Forest Society, Japan Society on Hydrology and Water Resources, Japan Society on Water Environment, Japan Society of Erosion Control Engineering, Ecological Society of Japan, Ecology and Civil Engineering Society, The Society of Agricultural Meteorology of Japan, Korea Water Resource Association, Korean Society of Agriculture and Forest Meteorology

<ForWat3 Steering Committee>

Kasuya Research Forest, Kyushu University

Tsubakuro 394, Sasaguri, Kasuya, Fukuoka 811-2415, Japan
